DETAILED ACTION

1. The Amendment filed by Applicant on 07/07/05 has been entered.

Response to Amendment/Arguments

2. Applicant's amendment and arguments filed on 07/07/05 have been fully considered and they are found unpersuasive.

Claim Rejections - 35 USC § 102

3. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

(a) the invention was known or used by others in this country, or patented or described in a printed publication in this or a foreign country, before the invention thereof by the applicant for a patent.

4. Claims 1, 5 and 8-19 remain rejected under 35 U.S.C. 102(b) as being anticipated by Arcella et al., EP 0 518 073 A1 (hereinafter "Arcella"). Arcella teaches terpolymers of the claimed invention. See Arcella, Examples 1-4. The Applicants contend the monomer compositions are outside the claimed invention particularly with respect to vinylidene fluoride. The

Examiner disagrees. First, the Arcella reference is relevant for all that it discloses and not only are the claimed compositions disclosed in the examples but also the specification. Second, the calculations are outside the scope of the invention (Arcella is calculated to bring the amount to 100 mol%?) and no worksheet has been provided.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

6. A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
